

PULA (MARINA VERUDA) BASE DETAILS

Marina Veruda - It lies next to PULA. Surrounded by the rich and still untouched Mediterranean vegetation, the Bay represented an ideal place for more and more demanding needs in tourism that is why the new Marina was built up just here at this place: the door that opens for the whole Adriatic. By its position, Marina Veruda offers a safe refuge from all winds. Marina lives intensively not only in summer but during the whole year.

FACILITIES: reception, exchange office, restaurant, toilets and showers, grocery shop, nautical gear shop, repair shop, parking lot (there are 300 parking places for buses, trailers, cars and motorcycles). The gas station is in the marina.

If traveling by your vehicle:

PLEASE ENTER ON YOUR GPS THE FOLLOWING COORDINATES: 44°50'50.1"N 13°50'49.9"E

THE STREET NAME: Cesta prekomorskih brigada, Tehnomont Marina Veruda, Pula

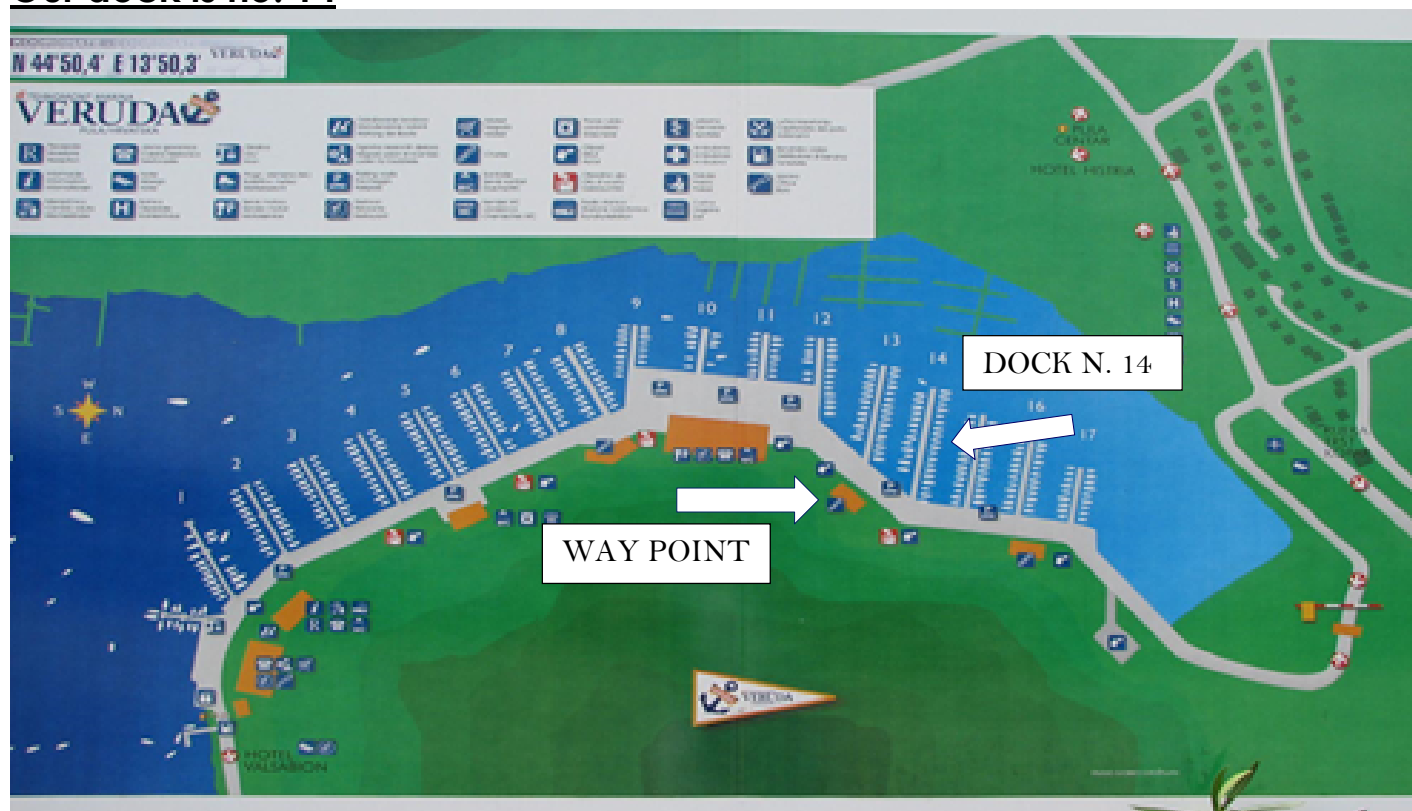

(Otherwise you will be misled to a secondary (closed) marina entrance).

Paid car parking for charter guests is possible at the dry dock directly at the marina entrance. To transport your luggage to the pier you can use trolleys.

Our dock is no. 14

1. CHECK IN PROCEDURE

After arriving in the marina you will easily find Waypoint office following base info sheet. Check in our office first where we will do all necessary paper work:

- check documents
- print crew list
- charge tourist tax, end cleaning and other extras
- take security deposit or insurance

NOTE: Skipper license is mandatory.

Check in time from 16:00 h

At this time boat will be ready for inspection, inventory list will be on the boat, for client to check himself.

- After you have checked the inventory, one of our staff members will give full technical explanation of all systems and functions on/of the boat
- After making sure that all inventory is complete and yacht is technically explained, list has to be signed

In case boat is ready earlier than 16:00h it is possible for the client to board but in accordance with our staff.

2. CHECK OUT PROCEDURE

Our suggestion is to be back in our base Friday evening to be prepared to proceed for the checking out Saturday morning.

However the latest DISEMBARKATION TIME is Saturday at 09.00AM

At this time yacht must be ready for check out, all inventories at its place and crew with their luggage disembarked.

During check out, our staff is checking inventory and equipment (together with charterer / skipper).

If all is found in order, you will have the security deposit or refundable part of security insurance reimbursed. This operation takes approximately 30 min.

3. PERMANENT SERVICE DURING CRUISING

WAYPOINT is always of service to our clients.

Should you have any technical problems during your cruising WAYPOINT staff will help you as soon as possible, either by solving the problem on your boat or giving you a same or even bigger replacement boat (in case that it is a problem, which is putting the boat out of order) to continue your cruising.
